## **Packages (including GST)**

**Entry Level:** Just the basics - \$539

Includes home, contact page (negotiable) and a page of your choice. Links up to your current email address.

**Starter Pack:** The basics with three email accounts - \$1015

Includes up to 6 pages of your choice, three personalised email accounts. Links up to your email address.

**Basic Website:** Fully fledged with information and interactive contact - \$1650

Includes up to 10 pages, a simple interactive contact form, unlimited email accounts

**Business Deal:** Built to help your business grow - \$2395

Includes up to 20 pages, a simple interactive form, a complex interactive form, shopping cart with online payment processor gateway OR Flash animated interactivity, unlimited email accounts, forum, blog, auto responder, audio and visual.

**Premium Offer:** The virtual store or shop front – by quote.

Includes forms linked to unlimited email accounts with lots of storage, action space and a shopping cart.

We will not begin your website until we have all content, images and logos. The website Questionnaire will help with this, so please fill out as much information as possible. It is also helpful to send brochures, other advertisements or catalogues with your submission.

### **With Our Shopping Cart You Can:**

- Have a store that is priced for your business.
- Configure a store in 15 minutes.
- Add order buttons to an existing site.
- Accept credit cards, PayPal, Google Checkout and more.
- Have the shopping cart match your store's look and feel.

Award winning ShopSite® is the easiest-to-use shopping cart software for small to medium-sized businesses. Independent software reviewer Top Ten Reviews has ranked ShopSite Pro the number one shopping cart for the fourth year in a row. ShopSite version 10 has been audited and certified to be in compliance with the PCI Data Security
